## Creating an author account

Before submitting a manuscript you first have to create an author account. To obtain this account, you must register with the site. You will then be sent an e-mail containing your password.

**Access for authors**  
(Manuscript submission)

**(Manuscript refereeing)**  
(Manuscript refereeing)

**Log-in**

If you have not yet an author account.

**Register here**  
(create your author account)

Please enter your e-mail address and the password you received by e-mail.

E-mail: t.lenzin@fontismedia.com

Password: \*\*\*\*\*

Submit

[Did you forget your password?](#)

**Register an author account**

If you do not have yet an author account, please enter your e-mail address.

E-mail: [input field]

Submit

### Access problems

You have to make sure to have javascript and cookies enabled in your browser.

The browser should be at least:

Explorer 5.5, Firefox 1.0, Netscape 7.0 on PC Windows  
or

Internet Explorer 5.0, Firefox 1.0, Netscape 7.0, Safari 2.0 on  
Macintosh.

### Forgot your Password?

If you do forget or have no access to your password, you can click on the **"Did you forget your password?"** link and enter your e-mail into the specified field. You should then receive within a few moments a password by e-mail.

#### You have lost your password ?

Enter your email address to request your first password or recover your forgotten password. If the email address you submit matches the one stored in the database, your password will be reset, and a new password will be sent to you via email.

E-mail

Submit

## Corresponding authors details

Once you have logged into the system, you will be brought to the “**Author Account**”. You will now have to go through a number of steps to enter information about the manuscript and authors, some of which may be mandatory or optional.

First fill in the corresponding author information.

### Author account

#### Corresponding author : Complete / Modify

Last name Dr Barbara Paci  
 Department/Institution Istituto di Struttura della Materia- CNR  
 Address Area di Ricerca di Tor Vergata Via del fosso del cavaliere, 100  
 City 00133 Rome  
 Country Italy  
 E-mail barbara.paci@ism.cnr.it

#### Your submission(s)

Do not add / create a new submission for a revised manuscript but click on the previously used submission ID.

#### Add a manuscript submission

#### Press the submission ID to:

Update your author profile, Have an overview of all your submitted manuscripts, Upload your figures, Review and update all your submitted manuscript data, Consult the status of your submitted manuscript

= Click on the trash to delete submission trials.

**R** = Manuscript in revision. Please click on the submission ID to upload your revised manuscript.

**C** = Request for a complete manuscript. Press the submission ID to upload your manuscript completed as requested.

Manuscript ID	Full title	Status	Create date
jpp060161	Time-resolved Energy Dispersive X-ray Re...	Submission not finished	23-01-06 15:34:55

## Submit a new manuscript

To submit a new manuscript, you should click on “**Add a manuscript submission**”. It is from this interface that you will submit all the data that comprises your manuscript – text, images and descriptions.

### Author account / Manuscript

Manuscript ID **ejo060005**  
 Title **Testing Manuscripts**  
 Corr. author **Thierry Lenzin**

<b>Consult</b>	Manuscript status
<b>Modify</b>	Corr. author
<b>Modify</b>	Manuscript information
<b>Add</b>	First author and Co-authors (First author details are mandatory to be filled in.)
<b>Add</b>	Potential referee
<b>Summary</b>	View a summary of all your submitted manuscript data.

#### Upload files

Manuscript

**Add / Replace**

Figures

**Add / Replace revised figures / Responses**

Figures, supplementary material, comments to referees with the revised manuscript.

**Send completed submission**

#### IMPORTANT:

Click the button -Send completed submission- to alert the editorial office of your completed submission.

Never forget to fill all *manuscript information and the first author details*, even if these are identical with the corresponding author.

## Upload the manuscript file

Once all **corresponding author, first author, co-author and manuscript information** have been entered you have to upload your manuscript and figure files.

Author account > ejp060005

---

**Author account / Manuscript**

Manuscript ID: **ejp060005**  
 Title: **Testing Manuscripts**  
 Corr. author: **Thierry Lenzin**

---
